### REMARKS

This communication is responsive to the Office Action mailed on September 27, 2004. No claims are amended, no claims are canceled, and no claims are added. As a result, claims 1-25 are now pending in this Application.

#### Double Patenting Rejection

Claims 1-25 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-24 of U.S. Patent No. 6,615,329. The Applicants do not agree that claims 1-25 define an obvious variation over the invention claims in U.S. Patent No. 6,615,329. However, a terminal disclaimer in compliance with 37 CFR 1.321(b)(iv) is enclosed herewith to obviate this rejection, and all pending claims should now be in condition for allowance.
